**Subject: Bannister Federal Complex – CenterPoint Due Diligence Investigation
Revised Stage III Supplemental Report**

Dear Rich:

With this letter I am transmitting to MDNR the revised Stage III Supplemental Report for the Bannister Federal Complex Due Diligence Investigation. This report summarizes the follow-up soil investigation for radionuclides, VOCs and other parameters completed in June, 2016.

This revised report is being submitted in response to MNDR comments dated February 9, 2017. Our response to comments can be found in Appendix J of the report, and the proposed changes have been incorporated into the report, as per your letter of March 29, 2017.

If you have any additional questions or comments, please feel free to call or email.

Sincerely,

S. S. PAPADOPULOS & ASSOCIATES, INC.
